FURNISH PROGRAM

Turn Key Service

FAB Studio offers a turn-key service that furnishes rentals with hotel-grade pieces -- everything you need for your short-term rental, delivered, installed, and staged.

We also offer a custom design package for clients that want to create their brand aesthetic. This service includes an initial call with one of our designers to discuss branding and pipeline, as well as their target demographic.

Good design on a reasonable budget - delivered and installed in a quick turnaround time.

Because our core business is design, FaB Studio takes guest experience and appreciation for nice environments into consideration.
